over **80%**
success

£8.3m
raised

81
lots sold

Our September auction took place remotely and was watched by hundreds of people throughout the country and had 350 bidders registered.

The team sold over £3.9 million worth of property prior, bringing the total figure to £8.3 million for one auction!

80% of properties were sold and this figure is set to rise with post auction sales.

Investment and residential properties proved extremely popular at this auction, with many selling prior in addition to the great sales on the day – here are just a few of the highlights

Second to none!

A big thank you to the whole team at Sutton Kersh Auctions.

After the death of my mum I found myself in the position where I needed to sell the property through an auction and I was so stressed about the whole process... I needn't have been because the help and support that I have received has been second to none. Right from the initial valuation, through to dealing with viewing, keeping me informed of the outcomes, patiently answering any queries that I had, and through to a sale that surpassed my expectations, I could not have wished for a more professional company to sell the property.

Regards

Peter Ely

Terms & conditions for proxy, telephone or internet bidders

The following terms and conditions apply to all intended buyers who wish bids to be made by proxy, telephone or internet

1. A proxy/telephone/internet form must be used to submit your bid to the auctioneers 48 hours before the day of the auction. This bid will not be called upon prior to the time of offering the particular lot for which the bid has been made.

A prospective buyer should fill in the appropriate proxy, telephone or internet bidding form in the catalogue or on the auctioneers website and should ensure that all sections are completed. Failure to complete any part of the appropriate form may render the instructions ineffective.

Telephone bidding A member of staff will attempt to contact the bidder by telephone prior to the lot concerned being offered for sale. If contact is made then the bidder may compete in the bidding through the auctioneer's staff. If it is impossible to obtain telephone contact, or the link breaks down, the auctioneer is authorised to continue to bid on behalf of the telephone bidder up to the maximum bid stated on the form submitted.

Internet bidding Upon successful registration you will be issued with a unique bidding number to access our online bidding system. If connection is made then the bidder may compete in the bidding through the bidding system. If it is impossible to obtain connection or the link breaks down, the auctioneer is authorised to continue to bid on behalf of the internet bidder up to the maximum bid stated on the form submitted.

2. Maximum bids must be for an exact figure and any reference to a bid to be calculated by reference to other bids will not be acceptable. In the event of there being any confusion as to the maximum bid, the auctioneer reserves the right to refuse a bid on behalf of the prospective buyer.
3. All proxy, telephone or internet bidding completed forms must be delivered to the auctioneer not less than 48 hours prior to the start of the auction at which the property, the subject of the bid, is to be sold. All bidders must provide a Bank or Building Society Draft or valid debit card details to cover the sum of 10% of the maximum bid or £3,000 whichever is the greater, and the buyers administration charge, to the auctioneer 48 hours prior to the auction to validate the proxy, telephone or internet bidding form. Proof of funds for a 10% deposit must also be provided. **We will not bid on your behalf or accept your bid unless we hold payment details.** Please note we do not accept cash or cheques.

Buyer's Administration Charge The successful buyer will be required to pay the Auctioneers a Buyer's Administration Charge of 1.2% of the purchase price subject to a minimum fee of £1,500 including VAT (unless stated otherwise within the property description in the catalogue) upon exchange of contracts for each property purchased.

A separate proxy, telephone or internet bidding form, deposit and buyer's administration charge should be supplied for each property upon which a bid is to be placed.

4. Any alteration to the proxy, telephone or internet bid or withdrawal must be in writing and be received in writing by the auctioneer prior to commencement of the auction.
5. The auctioneer, in accepting proxy bids, acts as agent for the prospective buyer and the prospective buyer shall be considered to have authorised the auctioneer on the basis of the terms and conditions set out in this auction catalogue, all relevant conditions of sale and any amendments to the auction catalogue. In the event of the prospective buyer's bid being successful, the auctioneer is authorised by the prospective buyer to sign any memorandum or contract relating to the property concerned.

6. The auctioneer accepts no liability for any bid not being made on behalf of the prospective buyer and reserves the right to bid himself or through an agent up to the reserve price for the particular property concerned.
7. The auctioneer accepts no responsibility for failure of telecommunications in respect of a telephone or internet bid, or any delays in the postal system if a proxy bidding form is sent through the post.
8. Prospective bidders should check our website by 10am on the day of the auction and prior to bidding at the auction to ensure there are no changes to the published terms and conditions and to find out whether any addenda apply to the property for which they have authorised the Auctioneer to bid on their behalf.
9. In the case of unsuccessful bidders' deposits, received by us into our clients' account, we will use best endeavours to return these to the originating bank account within 48 hours of the conclusion of the Sale. As part of this process our accounts team will contact you to ensure the funds are returned securely.
10. Should the property be knocked down to the proxy, telephone or internet bidder by the Auctioneer at a figure which is less than the maximum bid price on the form, the whole of the deposit supplied with the form will still be cashed and will count towards the purchase price sold.
11. Should the telephone or internet bid exceed the bidding price stated on the form, the balance of the deposit must be forwarded to the auctioneers promptly. The deposit can be a bank transfer to our client account, bankers draft, solicitors' client account cheque, or by debit card. We do not accept personal cheques or cash.
12. Proxy, telephone or internet bidders are deemed to be making their bid with full knowledge of and in accordance with the Common Auction Conditions, Extra Conditions and Special Conditions of Sale, Addendum and the Important Notice for Prospective Buyers in the catalogue.
13. Proxy, telephone or internet bidders are also deemed to have knowledge of any Addendum sheet which may be issued prior to or at the auction sale. Proxy, telephone or internet bidders are advised to telephone the Auctioneer's offices or check the auctioneers website before 10am on the day of the sale in order to find out whether any addenda apply to the property for which they have authorised the Auctioneer to bid on their behalf.
14. The proxy, telephone or internet bidder authorises the Auctioneer or any duly authorised partner or employee of Sutton Kersh as the prospective purchaser's agent to sign the Memorandum of Sale or Sale Contract incorporating any addendum at or after the auction.
15. Please note we must hold 2 forms of certified ID prior to auction, typically this will be: 1 x Photo ID (Driving Licence or Passport) & Proof of Address (Utility Bill or Bank Statement). If you are the successful purchaser, we will carry out an additional electronic verification check on your identity which will leave a "soft footprint" on your credit history but does not affect your credit score. This will be undertaken by Credas Technologies Ltd.
16. Proxy, telephone or internet bidding forms should be sent to auctions@suttonkersh.co.uk

Auctioneer's pre-sale announcements

You are required to pre-register if you are intending to bid on any lot at auction to comply with money laundering regulations. You can pre-register by completing the Bidders Registration and Identification Form – full details of which can be found on our website.

This catalogue contains details about properties being sold at auction. Those details are subject to change up to and including the day of the auction. Please check our website regularly at suttonkersh.co.uk and look out for any additional materials available on the day of the auction, in order to stay fully informed with the up to date information.

1. The auctioneer will offer all lots in the order as shown in the catalogue.
2. An addendum to the catalogue and Conditions of Sale are available on our website and legal pack portal.
3. This addendum is an important document providing updates and corrections to the auction catalogue.
4. Sutton Kersh will always endeavour to inform prospective purchasers of changes that may have taken place after the catalogue was printed when such changes are brought to their attention.
5. Would prospective purchasers please ensure they have a copy of the auction catalogue and an addendum prior to bidding.
6. Prospective purchasers are deemed to have read the addendum whether they have done so or not.
7. You are bidding on the basis that you have checked the General Conditions of Sale, which are detailed at the back of the catalogue, and the Special Conditions of Sale relating to each individual lot.
8. The Special Conditions of Sale together with the title documentation have been available for inspection at the auctioneer's office in the immediate period leading up to auction date.
9. You are bidding on the basis that you have made all necessary enquiries, particularly in respect of lots the auctioneer has not inspected or had initial sight of tenancy details, and have checked the General and Special Conditions of Sale and are satisfied that you fully understand their content. Please note that some legal packs may contain additional fees (such as the requirement for the seller to pay the vendor's legal fees).
10. If you have a query in respect of any of the lots within the catalogue please email your enquiry to auctions@suttonkersh.co.uk or call 0151 207 6315 prior to submitting your bid and we will endeavour to answer your query.
11. Guide Prices shown in the catalogue are merely an approximation and the auctioneer's opinion only. They should not be regarded as anything more. (see definition of Guide Prices below)
12. The auctioneer will not describe each individual property in detail or elaborate on its features or finer points. He will merely state the address, lot number and a very brief description.
13. Please bid clearly if bidding by telephone and do not delay.
14. At the fall of the hammer the successful bidder will be in a binding contract of sale. We will then sign the Memorandum or Contract of Sale on your behalf and a 10% deposit subject to a minimum of £3,000 whichever is the greater will become payable and taken from the funds supplied. Should your telephone/internet bid exceed this amount, the balance of the deposit must be forwarded to the auctioneers promptly. The deposit can be a bank transfer to our client account, bankers draft, solicitor's client account cheque or by debit card. We do not accept personal cheques or cash.
15. A successful purchaser will also be required to pay a Buyer's Administration Charge of 1.2% of the purchase price subject to a minimum fee of £1,500 including VAT (unless stated otherwise within the property description in the catalogue) by debit card or bank transfer.
16. Completion of the sale and payment of the balance of the purchase money is 28 days after the auction unless the conditions of sale provide otherwise.
17. Unless otherwise stated all property is sold subject to a reserve price whether declared or not (see definition of Reserve Prices below).
18. Please note that purchasers will not be entitled to keys or access to properties until completion of the sale. If access is required it may be arranged through the auctioneers with the express permission of the vendor.
19. Sutton Kersh hold regular property auctions throughout the year.
20. Sutton Kersh operate a substantial dedicated mailing list free of charge to applicants. If you wish to be placed on the mailing list, please give your details to one of our representatives.

Guide Prices, Reserve Prices and Buyer's Fees

Guide Price

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different

to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

Reserve Price

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

Buyer's Fees

Should your bid be successful you will be liable to pay a Buyer's Administration Charge of 1.2% of the purchase price subject to a minimum fee of £1,500 including VAT (unless stated otherwise within the property description in the catalogue) upon exchange of contracts to the Auctioneer. We strongly recommend all purchasers check the special conditions of sale as other fees may also apply to individual properties.

16 years as Merseyside's leading auctioneer

To sell your own property and benefit from the 5* Sutton Kersh service please contact the auction team today on 0151 207 6315

This was my first time selling properties via auction so I was a bit apprehensive. I was guided throughout the process with expert knowledge and staff were always on hand to offer advice when I was unsure about the process. Alexa, Katie and the SK team were efficient and very helpful and helped me gain more than my reserve price before the auction had even started. Would definitely recommend.

- G9.1 Where the LOT is or includes leasehold land and licence to assign or sublet is required this CONDITION G9 applies.
- G9.2 The CONTRACT is conditional on that licence being obtained, by way of formal licence if that is what the landlord lawfully requires.
- G9.3 The AGREED COMPLETION DATE is not to be earlier than the date five BUSINESS DAYS after the SELLER has given notice to the BUYER that licence has been obtained ("licence notice").
- G9.4 The SELLER must
- (a) use all reasonable endeavours to obtain the licence at the SELLER'S expense; and
 - (b) enter into any Authorised Guarantee Agreement ("AGA") properly required (procuring a guarantee of that AGA if lawfully required by the landlord).
- G9.5 The BUYER must promptly
- (a) provide references and other relevant information; and
 - (b) comply with the landlord's lawful requirements.
- G9.6 If within three months of the CONTRACT DATE (or such longer period as the SELLER and BUYER agree) the SELLER has not given licence notice to the BUYER the SELLER or the BUYER may (if not then in breach of any obligation under this CONDITION G9) by notice to the other terminate the CONTRACT at any time before the SELLER has given licence notice. That termination is without prejudice to the claims of either SELLER or BUYER for breach of this CONDITION G9.
- G10 Interest and apportionments**
- G10.1 If the ACTUAL COMPLETION DATE is after the AGREED COMPLETION DATE for any reason other than the SELLER'S default the BUYER must pay interest at the INTEREST RATE on the money due from the BUYER at COMPLETION for the period starting on the AGREED COMPLETION DATE and ending on the ACTUAL COMPLETION DATE.
- G10.2 Subject to CONDITION G11 the SELLER is not obliged to apportion or account for any sum at COMPLETION unless the SELLER has received that sum in cleared funds. The SELLER must promptly pay to the BUYER after COMPLETION any sum to which the BUYER is entitled that the SELLER subsequently receives in cleared funds.
- G10.3 Income and outgoings are to be apportioned at the ACTUAL COMPLETION DATE unless:
- (a) the BUYER is liable to pay interest; and
 - (b) the SELLER has given notice to the BUYER at any time up to COMPLETION requiring apportionment on the date from which interest becomes payable by the BUYER;
- in which event income and outgoings are to be apportioned on the date from which interest becomes payable by the BUYER.
- G10.4 Apportionments are to be calculated on the basis that:
- (a) the SELLER receives income and is liable for outgoings for the whole of the day on which apportionment is to be made;
 - (b) annual income and expenditure accrues at an equal daily rate assuming 365 days in a year (or 366 in a leap year), and income and expenditure relating to some other period accrues at an equal daily rate during the period to which it relates; and
 - (c) where the amount to be apportioned is not known at COMPLETION apportionment is to be made by reference to a reasonable estimate and further payment is to be made by SELLER or BUYER as appropriate within five BUSINESS DAYS of the date when the amount is known.
- G10.5 If a payment due from the BUYER to the SELLER on or after COMPLETION is not paid by the due date, the BUYER is to pay interest to the SELLER at the INTEREST RATE on that payment from the due date up to and including the date of payment.
- G11 ARREARS**
- Part 1 – Current rent*
- G11.1 "Current rent" means, in respect of each of the TENANCIES subject to which the LOT is sold, the instalment of rent and other sums payable by the tenant on the most recent rent payment date or within four months preceding COMPLETION.
- G11.2 If on COMPLETION there are any ARREARS of current rent the BUYER must pay them, whether or not details of those ARREARS are given in the SPECIAL CONDITIONS.
- G11.3 Parts 2 and 3 of this CONDITION G11 do not apply to ARREARS of current rent.
- Part 2 – BUYER to pay for ARREARS*
- G11.4 Part 2 of this CONDITION G11 applies where the SPECIAL CONDITIONS give details of ARREARS.
- G11.5 The BUYER is on COMPLETION to pay, in addition to any other money then due, an amount equal to all ARREARS of which details are set out in the SPECIAL CONDITIONS.
- G11.6 If those ARREARS are not OLD ARREARS the SELLER is to assign to the BUYER all rights that the SELLER has to recover those ARREARS.
- Part 3 – BUYER not to pay for ARREARS*
- G11.7 Part 3 of this CONDITION G11 applies where the SPECIAL CONDITIONS
- (a) so state; or
 - (b) give no details of any ARREARS.
- G11.8 While any ARREARS due to the SELLER remain unpaid the BUYER must:
- (a) try to collect them in the ordinary course of management but need not take legal proceedings or forfeit the TENANCY;
 - (b) pay them to the SELLER within five BUSINESS DAYS of receipt in cleared funds (plus interest at the INTEREST RATE calculated on a daily basis for each subsequent day's delay in payment);
 - (c) on request, at the cost of the SELLER, assign to the SELLER or as the SELLER may direct the right to demand and sue for OLD ARREARS, such assignment to be in such form as the SELLER'S conveyancer may reasonably require;
 - (d) if reasonably required, allow the SELLER'S conveyancer to have on loan the counterpart of any TENANCY against an undertaking to hold it to the BUYER'S order;
 - (e) not without the consent of the SELLER release any tenant or surety from liability to pay ARREARS or accept a surrender of or forfeit any TENANCY under which ARREARS are due; and
 - (f) if the BUYER disposes of the LOT prior to recovery of all ARREARS obtain from the BUYER'S successor in title a covenant in favour of the SELLER in similar form to part 3 of this CONDITION G11.
- G11.9 Where the SELLER has the right to recover ARREARS it must not without the BUYER'S written consent bring insolvency proceedings against a tenant or seek the removal of goods from the LOT.
- G12 Management**
- G12.1 This CONDITION G12 applies where the LOT is sold subject to TENANCIES.
- G12.2 The SELLER is to manage the LOT in accordance with its standard management policies pending COMPLETION.
- G12.3 The SELLER must consult the BUYER on all management issues that would affect the BUYER after COMPLETION (such as, but not limited to, an application for licence; a rent review; a variation, surrender, agreement to surrender or proposed forfeiture of a TENANCY; or a new TENANCY or agreement to grant a new TENANCY) and:
- (a) the SELLER must comply with the BUYER'S reasonable requirements unless to do so would (but for the indemnity in paragraph (c)) expose the SELLER to a liability that the SELLER would not otherwise have, in which case the SELLER may act reasonably in such a way as to avoid that liability;
 - (b) if the SELLER gives the BUYER notice of the SELLER'S intended act and the BUYER does not object within five BUSINESS DAYS giving reasons for the objection the SELLER may act as the SELLER intends; and
 - (c) the BUYER is to indemnify the SELLER against all loss or liability the SELLER incurs through acting as the BUYER requires, or by reason of delay caused by the BUYER.
