VACANT RESIDENTIAL

Description

A substantial Freehold three storey corner property providing six/seven bedrooms and benefiting from central heating and off street parking. Two large bedrooms on the first floor have had the partition wall removed to make one large room. Both doors however fully remain, so would be suitable for conversion back to two individual rooms. It also has a separate 'front' entrance, along the side of the property giving the property three entrances. Following a scheme of full upgrade and refurbishment the property would be suitable for a number of uses to include conversion into flats or potential HMO use subject to gaining any necessary consents.
